

Common Amenities

At Ananta Living, you are in the midst of a modern community that has the latest amenities for leisure, comfort and assistance. The availability of round the clock medical assistance, house-keeping personnel, buggy services, a grocery store and a medical shop ensure that you have a stress-free life. Ananta's aesthetically landscaped gardens and its extensive walkways with an organic farm serve as great additions for your well-being and relaxation.

Wellness Amenities

Ananta assures personalised care for its residents. Emergency medical assistance, an on-call doctor and round-the-clock nursing staff are primary on our list of medical amenities. A number of nutrition plans, health check-up schedules and fitness programs are also available to all residents. Moreover, the property premises have been designed to be completely geriatric friendly.

Ananta nurtures a lifestyle of wellness, offers 24 hour nursing support and provides fully accessible spaces for living in comfort. With a passion for caring, we are right beside you, at all times.

Recreational Centre

Start your day with a yoga session on the lawns, a cool dip in the infinity pool or a rejuvenating massage at our ayurvedic spa. The recreational centre at Ananta has excellent facilities for all our residents to engage in their favourite hobbies. With a members' card, you can have full access to the on-site gym, community dining space, library, business centre, theatre room, cafe, salon and the elegantly furnished guest rooms for your friends and family.
